UVOD

Korišćeni alati

Za izradu sajta korišćeni su: HTML5 (struktura), CSS3 (stilizacija i responsivnost), JavaScript ES6 (dinamički sadržaj i validacija forme), jQuery (slider komentara i UI interakcije), Bootstrap 5 (layout i navbar) i Font Awesome (ikonice u footer-u). Razvoj i organizacija fajlova rađeni su u Visual Studio Code okruženju.

Opis funkcionalnosti

Na sajtu su implementirane sledeće funkcionalnosti:

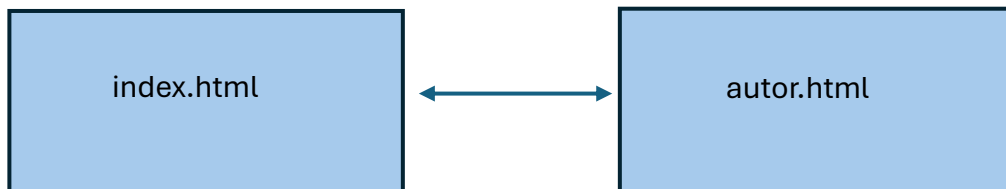

- Dinamički generisana navigacija (linkovi se kreiraju iz niza i ispisuju kroz petlju) – radi i na index i na /pages/ stranici.
- Dinamički generisan footer (ikonice/linkovi ka Instagram, Facebook i Email).
- Dinamički ispis proizvoda (sekcija Products – kartice proizvoda generisane iz JavaScript niza).
- Dinamički ispis sekcije Sustainability/Specials (kartice sa ikonama).
- Dinamički ispis komentara (Reviews) + jQuery slider (rotacija komentara, kontrole strelicama, auto-rotacija).
- Countdown (odbrojavanje) do lansiranja proizvoda u novembru 2026.
- Forma (Contact/Sign in) sa validacijom i ispisom grešaka ispod polja, bez korišćenja alert().
- Responsive dizajn: prilagođavanje rasporeda sadržaja na manjim ekranima (Bootstrap + custom CSS).

Template

Za izradu sajta nije korišćen gotov template.

Slike i opis funkcionalnosti

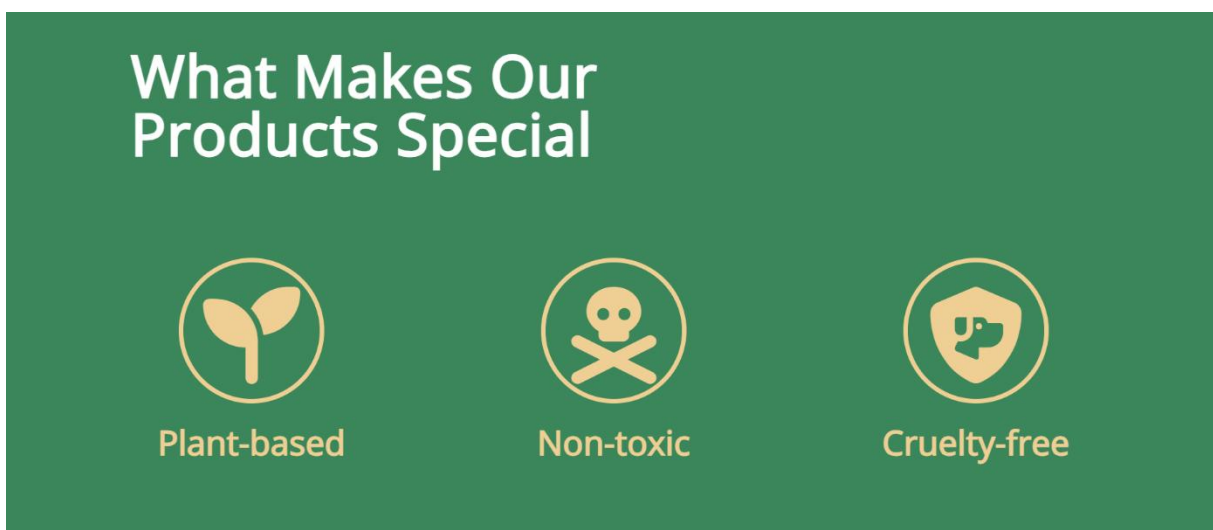

Dinamički kreirana navigacija. Preko svakog elementa liste je uradjen hover kad se pređe mišem preko svakog elementa promeni se boja slova.

Countdown (odbrojavanje) do lansiranja proizvoda u novembru 2026.

Proizvodi su urađeni dinamički u JavaScript-u(slika, opis, naziv, cena).

Sav sadžaj koji se ponavlja na sajtu je dinamički ispisan.

What Our Costumers Are Saying

"I love how gentle these products are on my skin."

- Emily Watson

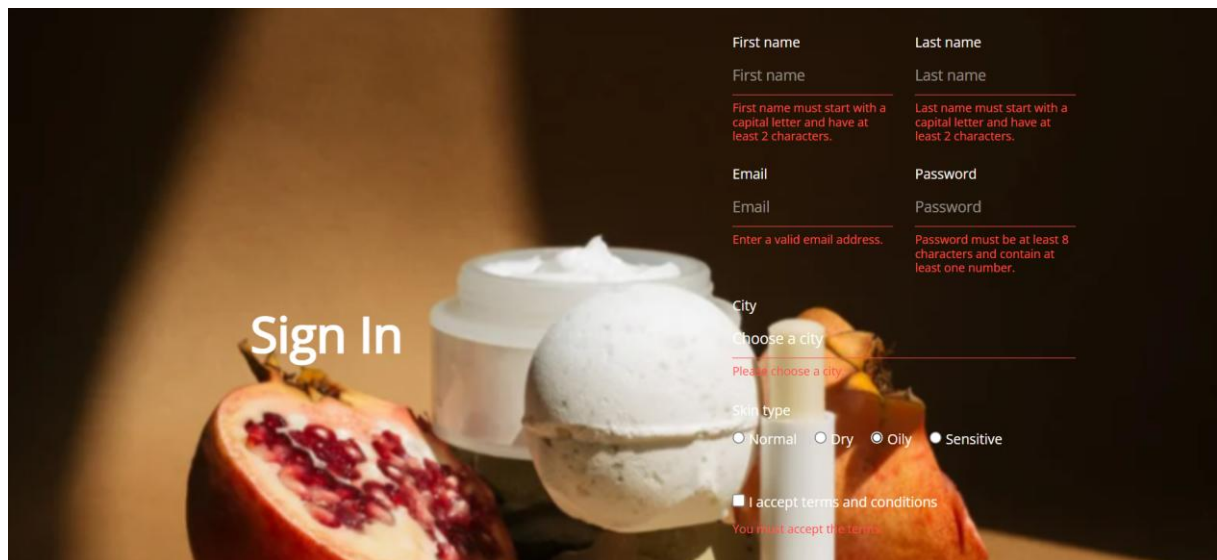

"Clean ingredients and visible results after just a week."

- Mark Stevens

"Finally a brand I can trust for sensitive skin."

- Sophia Martinez

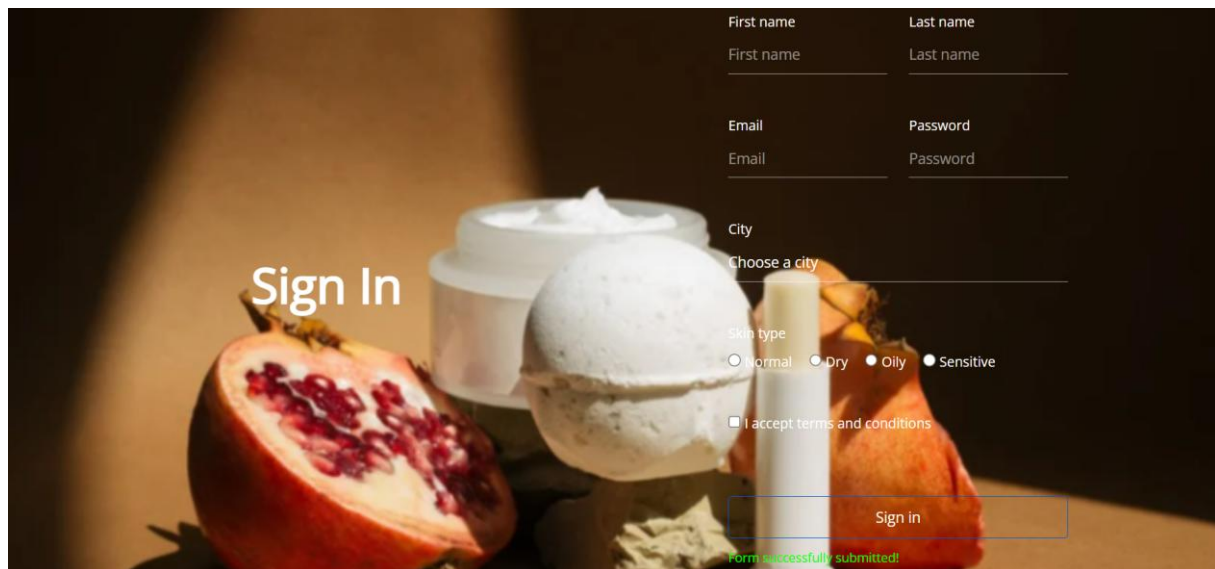

Dinamički ispisani blokovi sa komentarima ubačeni u JQuery slider.

The image shows a 'Sign In' form overlaid on a background image of skincare products (a jar of cream, a tube of cream, and a pomegranate). The form has the following fields and validation messages:

- First name:** First name must start with a capital letter and have at least 2 characters.
- Last name:** Last name must start with a capital letter and have at least 2 characters.
- Email:** Enter a valid email address.
- Password:** Password must be at least 8 characters and contain at least one number.

- Skin type:** Radio buttons for Normal, Dry, Oily, and Sensitive. The 'Oily' option is selected.
- Terms and conditions:** A checkbox labeled 'I accept terms and conditions' with the message 'You must accept the terms' below it.
